Welcome to Never Go Back Ranch!

Unlike many agility venues, Never Go Back is a working farm as well as Kellie and Tim's home. We're glad you're here, but we ask you to please observe the following rules while you're with us.

1. Please DRIVE SLOWLY, 5 mph or less, at all times while you are on the property! There are chickens, geese, and ducks who roam the property freely.
2. **Please do not arrive before 7:15.** This will give time for the farm chores to be completed before you arrive.
3. Please park as directed. We have a lot of people to fit in and very limited parking. If you park without direction, you will most likely be asked to move.
4. Please obey posted "No Dogs" signs. This will include pastures where livestock are kept as well as the area near the house.
5. Please leave all the farm animals alone – sheep, cows, bunnies, and fowl. They are easily spooked and can hurt themselves if harassed. Livestock are expensive to replace.
6. All exhibitors except the trial committee will need to crate out of your car. Please don't block gates or doors. If you're unsure where to park, ask Kellie.
7. Please pick up after your dog! Always.
8. Dogs must be on lead at all times when not in the ring or using the practice jump. This is an AKC rule and will be strictly enforced.

9. There is no spectator seating in the arena. If your dog is not running in the next 3 dogs, please do not enter the arena. If you want to watch runs, please do so from the hallway, but you must wear a mask and you must maintain 6 feet from other exhibitors to practice social distancing! You can also watch from under tents at the windows in front. A duplicate version of the gate check in sheet will be outside to help limit the number of people in the arena.
10. Have fun!

Schedule (all Days)

- Start time is 8 am
- Class Order:
 - T2B
 - Std in the order of Exc/Master, Open, Novice
 - JWW in the order of Exc/Master, Open, Novice

Trial workers will receive tickets for a daily worker's raffle.

Please note that there are no restaurants or fast food chains anywhere near Never Go Back Ranch. **Concessions will NOT be available on site and there are no restaurants nearby. Please come prepared with your own lunch and drinks.**

Workers will be provided with bottled water and packaged snacks.

CCRCA Agility Trial – COVID-19 Rules

PLEASE APPLY 6 FOOT SOCIAL DISTANCING AT ALL TIMES!!

General – Due to the COVID-19 pandemic, the following rules will be in place during our trial. These rules will be in effect from setup and continue through the end of the trial. While we are doing the best we can to make this event as safe as possible, there may still be a risk of infection/exposure that we don't know about or cannot control. If you are concerned about the possibility of exposure to the coronavirus OR if you are unwilling to follow the stated rules, then please do not enter our trial.

Additional rules and regulations are based on recommendations from both the CDC and the AKC. We will also follow state, county and city mandates in place at the time of the trial.

Illness – **IF YOU ARE ILL, PLEASE DO NOT COME!** If you have been exposed to someone who tested positive for COVID-19 in the 14 days prior to the event date(s) – **PLEASE DO NOT COME!** If you become symptomatic or test positive within 14 days following the event date(s) please contact the trial chair immediately. Her contact information is listed in the premium.

Crating – all crating will be done from exhibitor's cars. The only exception to this is for dedicated workers: Judge, Secretary, Course Builders, Committee members. When entering and exiting the arena with your dog, the hallway door will be the entrance and the main door will be the exit.

Masks – **ALL EXHIBITORS MUST SUPPLY THEIR OWN MASKS!**

- **Inside the Arena (outside the ring):** Masks are required to be worn at all times by anyone entering the building. The mask needs to cover both the nose and mouth.
- **Inside the Arena (inside the ring):** As you step to the start line, you may remove your mask and put it in your pocket. You must put it back on prior to exiting the ring.
- **Outside on the Trial Grounds:** Masks are required within 25 feet of the arena and any time physical distancing of 6' or more is not possible.

Spectators – no spectators are permitted. Only exhibitors entered in the trial are allowed in the arena. There will be NO seating inside the arena. The usual seating area will be used for staging the next 3-4 dogs in the ring. Those who wish to watch other exhibitors may do so from the hallway area (along the stalls) or the west end (opposite the entrance) of the arena. Please maintain 6' distancing.

Gloves – gloves are an individual choice. We are only requiring course builders to wear them while in the ring during course builds. Disposable gloves will be provided for course builders and must be properly disposed of upon exiting the ring. If an exhibitor prefers to wear gloves, you will need to bring enough for the times you will need to wear them. Please dispose of gloves properly.

Trial Secretary – again, please respect social distancing. There will be a 6 foot mark around her area.

Bar Setters - the club will provide disinfecting wipes. You may use your own chair in the ring. If using an arena chair, please wipe it down after the class you are working is over. Dispose of disinfectant wipes properly.

Gate Steward – there will be an x-pen around the Gate Steward area. Exhibitors are NOT allowed in this area. Gate sheets will be laid out each morning for exhibitors to check themselves in. There will be a basket with sanitized pens in it and another basket for used pens. Only the Gate Steward will move the gate sheets from the check in area to the gate.

Entering/Exiting the Ring – there will be a towel dampened with disinfectant hanging over each gate. This way no bare hands will touch the gate. Once your run is complete, put your run on and exit the ring. Please reward your dog with treats/toys once you are back at your crating area.

Briefings – we will use the microphone system used for FAST to hold the briefings. There will be speakers pointing outside so everyone does not need to be in the building for the briefing. Depending on the weather, canopies will be set up along the front of the building. This area will also be used for staging the next dogs in the ring. **PLEASE DO NOT LET YOUR DOGS POTTY IN THIS AREA!**

Walkthroughs – we will be limiting the size of walkthroughs if necessary. Masks **MUST** be worn during all walkthroughs. The final confirmation letter will have an approximate time range but this may change. Please pay attention to any changes that are announced.

Course Maps – there will not be individual course maps for exhibitors. Course maps will be posted on the front side of the building (if raining, they will be just inside the hallway door). It is recommended that exhibitors take pictures of the course maps with their phones/iPads/etc. Again, please maintain 6' distancing while waiting to take your picture.

Results – results will be posted in the usual area (in the hallway past the gate to the staging area). Please maintain 6' distancing while waiting to view results.

Ribbons – ribbons will **NOT** be self-serve. We will be using one of the stalls for ribbons. To maintain social distancing there will only be **ONE** person allowed in the stall at a time. Labels will be placed on all Q ribbons and placements ribbons will be hanging up. There will also be small cards for those that only want the ribbon labels. Please place unwanted Q ribbons in marked basket to be sanitized. Additional ribbons like Titles and Double Qs will be available upon request.

Concessions/Food – there are no concessions available at this trial. Water will be provided for workers. Water will be in pre-opened plastic wrap, please only take one bottle at a time.

Porta Potties – there will be a spray bottle of disinfectant available in each Porta Potty. We encourage you to spray down surfaces in the Porta Potty after use. Hand Sanitizers will be available in the Porta Potty as well.

Personal Hygiene – Please wash/disinfect your hands frequently. A small bottle of hand sanitizer will be given to each competitor. We will also have large bottles available for exhibitors to refill their bottles if needed. Hand sanitizer will be at each of the Scribe/Time tables and also in the Ribbon area.

MACH/PACH Parties – for everyone's safety there will be no MACH/PACH or other celebrations at this trial. There will also be no central table or pens available for MACH/PACH bars to be signed.

Changes to rules – We may make changes to these rules prior to the start of the trial. Be sure to read your confirmation letter to see what changes have been instated. Again, we realize these are changes to activities and habits we have had for a long time. However, in order to hold this trial, these are the compromises we must make based on information from the CDC and following consultation with the AKC. Please be aware that infractions of these rules will be dealt with according to AKC regulations up to and including requiring you to leave the trial site and bench committee hearings.

These guidelines may be adjusted/updated during the weekend, if necessary, for improvement.

Thank you for your support. Keep in mind that the trial days may run longer than usual due to safety precautions and distancing requirements. We are doing our best to keep everyone safe. We want everyone to enjoy this time with their dogs. Please be sure that you are comfortable with these rules. With everyone's cooperation and help, the trial can run smoothly and we can continue to participate in this sport that we love!

CCRCA COVID-19 Liability Waiver

The novel coronavirus which causes COVID-19 has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal, state and local health agencies recommend social distancing and limiting the number of persons allowed to gather.

The Curly-Coated Retriever Club of America(CCRCA) has put preventative measures in place to reduce the spread of COVID-19; however the CCRCA cannot guarantee that you will not contract COVID-19.
