

# Welcome to the German Shorthaired Pointer Club of Middle TN Agility Trials

Thanks to all exhibitors for entering our trials. Listed below are some notes specific to this trial that we hope you will find helpful.

## **AGILITY GATE APP: Password is 0524**

This allows exhibitors to check in for their runs through the app and to follow along by looking at the gate sheets as dogs are crossed off when they run. To use the Agility Gate app, please download it from the Apple App Store or the Google Play Store.

Using Agility Gate you can:

- Check in your dog
- Mark your dog ABSENT
- Mark a CONFLICT.
- Follow in real time to see who is currently running in the ring. You will be able to see the whole gate sheet to know how many dogs before your run or how many dogs are left in that class. As the gate steward marks off a dog entering the ring, you will see that update on the app running order on your phone or tablet.

You cannot check-in until the morning of each trial day.

If you have never used the app, please visit ([Agility Gate – Online Dog Agility Gating System](#)) before the trial to become familiar with how it works. Watch the video on that site to see it in action.

There will be two monitors, one for each ring that will display the “live” running order.

Per AKC Regulations, we will still have paper gate lists posted at each ring.

## **COURSE MAPS**

There will be no paper course maps for exhibitors. Course maps will be posted on the Agility Gate app for each class sometime after midnight. There will also be a paper copy of the maps posted at the trial that you can take pictures of with your phone.

Please print the running order for the trial included with this confirmation if you prefer a paper copy.

Safe travels and an enjoyable trial to everyone!

Sheila Cook, Trial Chair
