Notice To Exhibitors

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- IMPORTANT INFORMATION:** Space is tight around the rings. To avoid congestion and ensure the safety of dogs and handlers, please observe the following:
If you're not running your dog, please don't gather around the rings. Please sit in the stadium seating if you're not running your dog.
Please keep your dog back from the ring until there are no more than six dogs ahead of you. Before this time, you can wait in the hallway area for jumpers or the ramp area for standard.
When you wait to walk the course with your height, please avoid gathering at ringside until there are three dogs left to run of the previous jump height.
After you run the course, please remove your dogs from the ring area as soon as possible. If you want to reward your dogs, please take your treats from the "treat table" and move your dogs out of the arena to reward them.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dog and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the show site. In such case, no refund of any fees will be made.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee.
- No entry will be refunded if the trial cannot be opened or completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of public enemy, or any other cause beyond the control of the organizing committee.
- Exhibitors are responsible for complete, accurate, and legible information on their entry forms; illegible or incomplete entries cannot be entered into the show. All entries must be made on Official AKC Entry Forms or copies and **must include the Agreement and Rules**. No Entry shall be made and no entry shall be accepted which specifies any condition as to its acceptance.
- Handlers may opt to run in a higher height division, but not in a division lower than their proper height division. Dogs entered in the Preferred classes may **not** run in a higher height division.
- Bitches in season and injured dogs** are not allowed to compete in Agility Trials. Entry fees will be refunded less a \$5 per run processing fee **with a certificate from a veterinarian provided it is submitted prior to the start of the trial.**
- All dogs must be on leash at all times except when in the ring or in the designated agility warm-up area. **Judges are not required to wait for dogs.** The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged.
- Exhibitors are responsible for cleaning up after their own dogs. **Please** help us keep this site clean to ensure we have future use.
- Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$25 collection fee to the amount of each returned check. Subsequent returned checks from the same exhibitor may result in their being put on a cash only basis.
- Concessions will be available on site.
- The show site is available to exhibitors for set up after 3:00PM on Wednesday. Exhibitors will NOT be allowed to set up in the building before this time.**
- RVs, campers, and vendors may set up any time after 3:00 pm on Wednesday.

Course Familiarization and Warm-Ups

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. The walk-through period allows handlers to plan their strategy running the course and will be held prior to each class, following the judge's briefing.

Jump Height Cards

Jump height cards are not required to be submitted with the entry form. The entry form includes a spot to indicate whether the dog has been issued a temporary or permanent height card, or needs to be measured. If the dog needs to be measured, it is the handler's responsibility to ensure that the box on the entry form is checked, and that the dog is measured prior to running, either by the judge or record or by a VMO or AKC rep if present.

Exhibitors who are placed on a waiting list will be informed of their position on the wait list, and will be informed immediately of their acceptance into the trial as it occurs.

Entry tips

- Please don't staple your check to the entry form. Use a paper clip to attach it to your entries.
- **Please circle class AND jump height. 50% of the entries coming in are missing one of these fields.**
- Please write legibly!
- Please double check the total due before writing the check. This will save the treasurer a great deal of trouble writing refunds. **Any overpayments in the amount of \$5 or less will NOT be refunded.**
- Make sure you submit both sides of the form. Your signature is required on the back of the form. **Any unsigned entries may not be accepted and must be returned.**

Waiting list

A waiting list of up to 200 runs per day will be maintained. Per Chapter 1, Section 16.1 of the Regulations for Agility Trials, a "waiting list close date" will be instituted. **The "waiting list close" will be 6 pm, the Monday before the trial.** Full refunds will be given to those exhibitors withdrawing **ONLY for the runs that are able to be filled from the waiting list.**

RV PARKING/DRY CAMPING

RV Parking and Dry Camping are available ONLY on a prepaid basis.

RVs: There are 24 sites (50 amp and 30 amp, with water) in the RV parking area behind the barns. There is a dumping station in the RV/Camper parking area. There are also a limited number of 20 amp hookups around the barns. Hookups are \$20 per night for each plug used.

Dry camping inside the barns is permitted. No camping is allowed outside of the barns on MTSU property. The price is \$20 per night. **NOTE: If you move any stall panels when you set up your camping area, you must replace the panels before you leave. MTSU will charge us if they have to replace them.**

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
