## Notice To Exhibitors

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- IMPORTANT INFORMATION:** Space is tight around the rings. To avoid congestion and ensure the safety of dogs and handlers, please observe the following:  
**If you're not running your dog, please don't gather around the rings.** Please sit in the stadium seating if you're not running your dog.  
**Please keep your dog back from the ring** until there are no more than six dogs ahead of you. Before this time, you can wait in the hallway area for jumpers or the ramp area for standard.  
**When you wait to walk the course with your height, please avoid gathering at ringside** until there are three dogs left to run of the previous jump height.  
**After you run the course, please remove your dogs from the ring area as soon as possible.** If you want to reward your dogs, please take your treats from the "treat table" and move your dogs out of the arena to reward them.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dog and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the show site. In such case, no refund of any fees will be made.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee.
- No entry will be refunded if the trial cannot be opened or completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of public enemy, or any other cause beyond the control of the organizing committee.
- Exhibitors are responsible for complete, accurate, and legible information on their entry forms; illegible or incomplete entries cannot be entered into the show. All entries must be made on Official AKC Entry Forms or copies and **must include the Agreement and Rules.** No Entry shall be made and no entry shall be accepted which specifies any condition as to its acceptance.
- Handlers may opt to run in a higher height division, but not in a division lower than their proper height division. Dogs entered in the Preferred classes may **not** run in a higher height division.
- Bitches in season and injured dogs** are not allowed to compete in Agility Trials. Entry fees will be refunded less a \$5 per run processing fee **with a certificate from a veterinarian provided it is submitted prior to the start of the trial.**
- All dogs must be on leash at all times except when in the ring or in the designated agility warm-up area. **Judges are not required to wait for dogs.** The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged.
- Exhibitors are responsible for cleaning up after their own dogs. **Please** help us keep this site clean to ensure we have future use.
- Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$25 collection fee to the amount of each returned check. Subsequent returned checks from the same exhibitor may result in their being put on a cash only basis.
- Concessions will be available on site.
- The show site is available to exhibitors for set up after 3:00PM on Wednesday. Exhibitors should NOT set up in the building before this time unless they are staying to help with the equipment at 3:00.**

## Jump Height Cards

**Jump height cards are not required to be submitted with the entry form.** The entry form includes a spot to indicate whether the dog has been issued a temporary or permanent height card, or needs to be measured. Exhibitors who are placed on a waiting list will be informed of their position on the wait list, and will be informed immediately of their acceptance into the trial as it occurs.

### Entry tips

- Please don't staple your check to the entry form. Use a paper clip to attach it to your entries.
- **Please circle class AND jump height. 50% of the entries coming in are missing one of these fields.**
- Please write legibly!
- Please double check the total due before writing the check. This will save the treasurer a great deal of trouble writing refunds. **Any overpayments in the amount of \$5 or less will NOT be refunded.**
- Make sure you submit both sides of the form. Your signature is required on the back of the form. **Any unsigned entries may not be accepted and must be returned.**

## Waiting list

A waiting list of up to 200 runs per day will be maintained. Per Chapter 1, Section 16.1 of the Regulations for Agility Trials, a "waiting list close date" will be instituted. **The "waiting list close" will be 6 pm, the Monday before the trial.** Full refunds will be given to those exhibitors withdrawing **ONLY for the runs that are able to be filled from the waiting list.**

## RV PARKING/DRY CAMPING

**RV Parking and Dry Camping are available ONLY on a prepaid basis.**

**RVs:** There are 24 sites (50 amp and 30 amp, with water) in the RV parking area behind the barns. There is a dumping station in the RV/Camper parking area. There are also a limited number of 20 amp hookups around the barns. Hookups are \$25 per night for each plug used.

**Dry camping** inside the barns is permitted. No camping is allowed outside of the barns on MTSU property. The price is \$25 per night. **NOTE: If you move any stall panels when you set up your camping area, you must replace the panels before you leave. MTSU will charge us if they have to replace them.**

**There are no assigned spots. All RV/camping is first come, first served.** Mail your RV/camping reservation and payment (made out to MOTC) with your entry form to the Trial Secretary. Situational awareness is imperative. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. Leashes must be six-foot or less. Retractable leashes used in and around the building must be in a locked position at a maximum six-foot length. Thank you in advance for your cooperation with these requests.
