## Moving Up To the Next Class

Dogs may be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that request is made to the Trial Secretary in writing no later than Monday before the trial at 6:00 pm. Move-ups during the trials will be accommodated, provided the information is provided before the trial ends each day.

### Entry Confirmation

If you are willing to accept partial entries (i.e., if your dog gets in Thursday and Sunday only), please indicate that on your entry form. Exhibitors who are placed on a waiting list will be informed of their position on the wait list and will be informed immediately of their acceptance into the trial as it occurs.

#### Entry tips

- Please don't staple your check to the entry form. Use a paper clip to attach it to your entries.
- **Please circle class AND jump height. 50% of the entries coming in are missing one of these fields.**
- Please write legibly!
- Please double check the total due before writing the check. This will save the treasurer a great deal of trouble writing refunds. **Any overpayments in the amount of \$5 or less will NOT be refunded.**
- Make sure you submit both sides of the form. Your signature is required on the back of the form. **Any unsigned entries may not be accepted and must be returned.**

### Prizes and Awards

Rosettes will be awarded to the 1<sup>st</sup> through 4<sup>th</sup> place teams in each jump height in each class. Dogs must qualify to receive placement ribbons. Qualifying ribbons will be awarded to all dogs receiving qualifying scores. QQ ribbons will be offered for dogs qualifying in both Master Std/Master Preferred Std and Master JWW/Master Preferred JWW on the same day. New titling ribbons, Masters and Premier titling ribbons, PAX, MACH, PACH, and AGCh ribbons offered for those finishing the title at this trial.

### Course Familiarization and Warm-Ups

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. The walk-through period allows handlers to plan their strategy running the course and will be held prior to each class, following the judge's briefing.

## Jump Height Cards

**Jump height cards are not required to be submitted with the entry form. The jump height box on the entry form MUST be filled in.** For more information on jump height cards and the measuring process, please go to [www.pawsabilitiestn.com](http://www.pawsabilitiestn.com).

## Notice To Exhibitors

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all obstacles safely.
- The trial-giving club, the Trial Secretary, their agents, employees, etc., assume no responsibility for any loss, damage, or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dog and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the show site. In such case, no refund of any fees will be made.
- Exhibitors are responsible for complete, accurate, and legible information on their entry forms; illegible or incomplete entries cannot be entered into the show. All entries must be made on Official AKC Entry Forms or copies and **must include the Agreement and Rules**. No entry shall be made and no entry shall be accepted which specifies any condition as to its acceptance.
- **Bitches in season and injured dogs** are not permitted to compete in Agility Trials. Partial refund (less \$5 administration fee per run per day) will be given with letter from veterinarian presented to the trial secretary prior to the end of the trial.
- At the handler's option, dogs may wear flat buckle collars, but there shall be no hanging tags or attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited. Exhibitors may wear shirts or insignia of their training group if they wish.
- **Judges are not required to wait for dogs.** The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged.
- Exhibitors are responsible for cleaning up after their own dogs. **Please** help us keep this site clean to allow our continued future use.
- The show site will be available to exhibitors for set up **after 1:00 pm on Wednesday** before the trial starts. **This will be strictly enforced.** Additional information regarding the opportunity for early set up is on the last page of this premium.
- Returned checks do not constitute a valid entry fee. The Trial Chairman will add a collection fee to the amount of each returned check. Subsequent returned checks from the same exhibitor may result in their being put on a cash only basis.
- All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area.
- **SPECIAL NOTICE TO ALL EXHIBITORS:** There are many tight spaces, entrances/exits, and corridors at our site. Please remember to control **YOUR** dog at all times and respect the space of other dogs and exhibitors. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. Leashes must be six-foot or less. Retractable leashes used in and around the building must be in a locked position at a maximum six-foot length. Thank you in advance for your cooperation with these requests.

### **Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

**When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1<sup>st</sup> run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.**

### **Fix and Go On (FNG)**

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

### **Entering For Exhibition Only (FEO)**

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler's hand
  - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

**FEO Runs will be offered for T2B and FAST on Thursday, Friday, and Saturday.**

## Early crating and setup PLEASE READ!

As stated in the **Notice to Exhibitors** section, the building will be open for crating at **1 pm.** For the Club to ensure there are plenty of workers to unload the equipment trailer, we will allow early crating for workers who help with unloading and ring set up. We know that some people like to drop by the trial site early to set up their crating areas, but don't have the time or ability to help with the trailer unloading and ring set up. NDTC will once again allow early crating for a fee of \$10 per mat.

If you want to set up your crates early and you cannot stay to help unload the trailer, you will be charged \$10 per mat that you put down. Early crating time will be **11 pm.- 1 p.m. Unloading/setup will begin at 1 p.m.**

If you **can** volunteer to help unload the trailer and set up the rings, you will

- Not be charged for early set up!
- Get worker bucks!
- Be entered in a drawing for 1 free day of entries for 1 dog to any NDTC agility trial in the next 12 months!
- Be entered in cash drawings!
- Earn our undying gratitude!
- Help us set a new record for speed of unloading and setup!

We will have committee members at the site to monitor the entrance door, collect money, and keep the names of the volunteers willing to help prepare for the trial.

Thanks in advance for your help!

Remember – no crates, no dollies, and no dogs are allowed in and out the front doors of the building per Ag Center rules.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

SIGNATURE of owner or his agent duly authorized to make this entry.
