Oak Ridge Kennel Club Agility Trial
COVID-19 Rules January 7-9, 2022

Due to the ongoing COVID-19 pandemic, the following rules will be in place during the trial.

We will be adhering to these rules beginning on the first day of the trial (Friday) and continuing through all 3 days of the trial and tear down on Sunday. While we are doing the best we can to make this event as safe as possible, there may still be risk of infection/exposure that we don't know about or cannot control. If you are concerned about the possibility of exposure to the coronavirus OR if you are unwilling to follow the stated rules, it would be best if you did not enter this trial.

These rules are based on information from the CDC and following consultation with the AKC. **Please be aware** that infractions of these rules will be dealt with according to AKC regulations, up to and including requiring you to leave the trial site and bench committee hearings.

Masks – Solid masks will be required to be worn over the nose and mouth at all times while in the building. Please bring at least one mask with you for your personal use. (Face shields are not an acceptable alternative to masks.) The only exceptions will be while you are in the ring running your dog. You may put the mask in your pocket as you step to the line with your dog and put it back on as soon as you are done with the run. **No exceptions.** Please apply 6-foot social distancing at all times.

Illness – IF YOU ARE ILL, DO NOT COME! If you have been exposed to someone who has tested positive for COVID-19 in the last 14 days – DO NOT COME! Should you or someone you live with be diagnosed with COVID-19 after the closing date of our trial, your entry fees will be reimbursed, less AKC fees.

Handwashing – Please wash your hands as often as possible. We will do our very best to have hand sanitizer available, but cannot guarantee our ability to provide it for you because of shortages. Please bring hand sanitizer with you for your own use.

Crating – Please allow 6 feet between crating areas. If you have more than one crate, please try to consolidate your crating area as much as possible to allow for more space between people. If a member of the trial committee asks you to move your setup, please do so immediately. Crating set up and spacing will be an individual responsibility. PLEASE be considerate to your fellow competitors and respect them as you would wish to be respected. If the Committee members see "crating encroachment" you will be asked to move.

MACH/PACH parties – Unfortunately, for everyone's safety, there will be no MACH/PACH or other celebratory events at this trial. There may be a central communal table or pens available for MACH/PACH bars to be signed, but we ask you to be respectful of social distancing and personal space.

In order to hold this trial, these are the compromises we must make, based on information from the CDC and following consultation with the AKC. **Please be aware** that infractions of these rules will be dealt with according to AKC regulations, up to and including requiring you to leave the trial site and bench committee hearings.

Frances Hart, Trial Chair
