

Hello Exhibitors,

We are looking forward to seeing you and your dogs at our upcoming trial at K9 Center of East Tennessee on March 20th and 21st.

Although we have seen a decrease in COVID cases, we will still be taking the utmost care to keep everyone as safe as possible. Even with all the COVID restrictions, there are still risks involved, as you know. Masks will be required the entire time you are inside the building. Please keep them on outside whenever you come within 6 feet of other folks. It will be up to the judge to require that you run in your mask. Don't be surprised if you are asked to do this. And just in case, please be sure your mask is well fitted so it doesn't slip or fall off while you are running. That is unsafe and dogs will find this very distracting.

There is limited crating space inside the building. These areas will be marked with tape. **DO NOT CRATE ANYWHERE ELSE INSIDE THE BUILDING.** After you check in at the front desk, we will show you where you can crate. We encourage you to crate in your vehicle if you are comfortable doing this. It looks like we will have moderate temperatures... but it's too soon to tell for sure!

There will be no spectators allowed in the building. Each exhibitor can have one assistant handler. There will be restrictions on the number of people in the building at any one time and no congregating will be allowed. Social distancing is a must. We will again utilize the Agility Gate app so you can keep an "eye" on what's going on inside when you are outside. See below for more information. Please be sure to follow the signs and suggestions from our volunteers so our traffic moves smoothly. Please see the premium regarding other COVID restrictions.

PARKING... when our lot is full, you can park on the street and also in the "Unwin" lot directly across from our building. **DO NOT** park in SAFE-LITE lot—they are open for business on weekends.

ACT Trial Friday evening. If you have not titled your dog in AKC Agility, you can run in the ACT trial Friday, starting at 6 p.m. If you are not familiar with Agility Course Test, ACT 1 courses have no weaves and no teeter. ACT 2 has six weave poles and the teeter. There are now Jumpers classes as well, one with weaves and one without. Here's a link so you can read more about it and register.

<https://k9centertn.com/collections/training/products/agility-course-test-act-event>

You will need to print your registration form and fill it out before you come. Be sure to pay online as well—that speeds things up quite a bit.

Building will be open at 7 a.m. Saturday morning. Show starts at 8. Same on Sunday.

Agility Gate App: We are happy to offer the Agility Gate app again for this trial. If you do not have the app and you have a smart phone, you may download it from the Apple App store for iPhones or from Google Play for Androids. The evening before the trial (after 6 pm), the gate list will be loaded to the app along with the course maps. Course maps will also be mailed individually to exhibitors after 6 pm the night before each trial. You will receive the code for the App Friday evening with the course maps.

If you have questions, you can text Trial Chairs:
